

**AMENDMENTS TO THE SPECIFICATION:**

In the first page of the "ReplacementSheet for page 3 and 4 of the WO document submitted under Article 34 PCT (Engl. Version first page, beginning at line 12), please replace the paragraph beginning with "The production of cellulose fibrils and their use..." with the following amended paragraph.

The production of cellulose fibrils and their use in animal foods also are also described in EP 0 819 787 A2; in animal food with an additive of pure fine-particle cellulose, in WO 02/39 827A1, both of which are hereby incorporated by reference.
